PRAEGER SECURITY INTERNATIONAL ONLINE is updated weekly with commentary by advisory board members, expert authors, and researchers from Oxford Analytica, an international consulting firm drawing on senior faculty at Oxford and other major research institutions. This unique resource provides in-depth information and analysis on the issues that threaten the stability of our world. With an integrated news feed from the *International Herald Tribune* and an ever-growing range of content from our global network of institutional partners, **PSIO** offers varied international perspectives and reflections from psychologists, diplomats, first responders, economists, journalists, civil servants, warfighters, legal experts, and more. This vast community of scholars and practitioners brings a high level of experience and insight to a sophisticated, librarian-designed interface that allows quick and easy access to information. **PSIO** is an invaluable resource for students, researchers, and anyone who seeks a deeper understanding of the complex issues that affect our future.

"The Bottom Line: Praeger Security International Online is recommended for comprehensive collections serving serious scholars in politics and government." **LIBRARY JOURNAL**

A SOPHISTICATED INTERFACE PROMOTES EASY ACCESS TO NEWS, INFORMATION, AND ANALYSIS

Featured Content selects important resources from the site relevant to timely subjects.

A new **RSS Feed** lets users choose a browser-friendly display or raw XML format.

An integrated **News Feed** from the *International Herald Tribune* pulls the latest news directly into **PSIO**.

Users have access to the complete text of **more than 500 titles** on security-related issues from Praeger, one of the most comprehensive collections on this subject in the world.

A comprehensive **Terrorism Chronology** lists and organizes terrorist incidents around the world from 1968 to the present, with background information going back over 75 years.

An **Annotated Bibliography** was assembled by a top scholar in the field.

Monthly Commentaries from international scholars and experts give focused treatment to important events.

An archive of over **1,000 important documents** adds context and meaning to recent events.
